

Westbrook Health Service Medication Assisted Treatment (MAT) Program

Program Rules

Clients will:

- Treat all clients and staff within Westbrook Health Services with respect.
- Maintain compliance with the responsibilities as listed in their MAT Program Contract.
- Actively work towards completing goals on his/her treatment plan.
- Maintain abstinence from all illicit substances.
- Arrive on time for all appointments.
- Take all medications as prescribed.

Consequences for Non-Compliance may include:

- A required increase in services as directed by the treatment team for continued involvement in the program.
- Removal from the program with referral to a more appropriate level of treatment.

****Please note, verified prescriptions, taken as prescribed, may be approved on a case by case basis by the treatment team. Any indication that prescription medications are being abused will be discussed with the Medical Director to determine an appropriate response.**
